FOR IMMEDIATE RELEASE

BLUE SEA SYSTEMS ANNOUNCES SIX NEW EMPLOYMENT POSITIONS

Opportunities at company headquarters will assist with company's growth

BELLINGHAM, WA – (February 17, 2011) Blue Sea Systems, a Bellingham based manufacturer of marine electrical products, has posted six new employment positions at their company headquarters and is looking for qualified candidates to fill the roles immediately.

"Blue Sea Systems is committed to developing superior products supported by expert customer service," said David Johnson, Senior Vice President of Blue Sea Systems. "We're looking for candidates who demonstrate these qualities and who want to be a part of a growing, well regarded company."

New positions are:

- Engineering Manager / Senior Mechanical Design Engineer
- Engineering Technician
- IT Technician
- Production Supervisor
- Renewable Energy Sales Engineer
- Technical Writer
